RE: New Hampshire Special Education Information System (NHSEIS) Training Manual

The NH Department of Education (NHDOE), Bureau of Special Education is pleased to release the New Hampshire Special Education Information System (NHSEIS) Training Manual for Special Education Administrators, Case Managers, Special Education Teachers, related Service Providers and Others. The Bureau of Special Education created this manual to assist districts in entering data in the New Hampshire Special Education Information System (NHSEIS). This manual also assists with clarifying special education information, and federal data reporting requirements.

The document is available on the NHDOE website, as well as through the Bureau of Special Education.
